Julie –

Attached are the RESRAD BUILD Hunters Point files provided by the Navy. They include a memorandum prepared by Battelle describing the effort (the sole Word file).

Stuart – Thanks.

Julie – Attached are the BPRG Hunters Point input and output files provided by the Navy. I will send the RESRAD BUILD files in a second email.

Please email or call with any questions

Subject: Hunters Point model run comparison

Hi Wayne, I talked with the Army Corps today about doing an evaluation to determine why the Navy RESRAD Build and EPA's BPRG runs have significant differences, both for fixed/3D and removable/dust. Can you

provide to Julie and I with all of the EPA and Navy runs that you wanted evaluated? I am on annual leave this holiday season but am reachable by cell phone.
